Re: Infringement of Beta-Calco's U.S. Patent No. D880,756

Dear Mr. Enos:

I write to follow up my prior correspondence dated September 27, 2021. That letter and all related attachments are being included herewith. Beta-Calco expects a prompt response to this correspondence and swift action from Camman to comply with the demands of the September 27, 2021 letter.

Beta-Calco is prepared to initiate patent enforcement proceedings if Camman does not comply with the demands set forth in the September 27, 2021 letter by **October 29, 2021**.

Very truly yours,

A handwritten signature in blue ink, appearing to read 'Mark C. Johnson'.
